

Banana Seal Review by Lynn's Recipes

I was sent the Banana Seal for review about a month ago. I have tried them out and they are a good way to keep your food fresh in the pantry. They can be used for brown sugar, coffee packages, cereal, crackers, or anything else that you may need to keep fresh in your pantry. If you have a need for something like this, you can go to the website, www.seal-a-bag.com for more information.

I was sent the Banana Seal for review, but wasn't compensated for this review.
