

Monday Favorite Gadget - Aroma Induction Cook by Lynn's Recipes

I am sharing my Aroma Induction Cook Top this week. I have really enjoyed using this cook top to demonstrate my recipes, but it is so handy to have for an extra burner if you are having a party or large get together. It can be used on a buffet for keeping food warm, as well. These are available from Amazon and many other places.

I purchased this with my own money and have not been paid for a review. All opinions are my own.
