

Monday Favorite Gadget - Dexas Chop & Serve Cutting Board by Lynn's Recipes

Today, I am sharing one of my favorite cutting boards. It is the Dexas Chop & Serve Cutting Board. This cutting board is made of polypropylene and is dishwasher safe. This is a decent size cutting board that can be used for meats, vegetables or fruits and it can also be used for serving. You can carve on this cutting board and the juices do not overflow and make a mess on your counter. I reach for this cutting board a lot.
