

Monday Favorite Gadget - Microplane by Lynn's Recipes

This week I am sharing my favorite Microplane. This is great for grating Parmesan cheese, garlic, chocolate for dessert garnishing, citrus zesting and a lot of other tasks. This is the microplane that I reach for almost exclusively for cooking. This particular one is stainless steel, has a soft touch handle and is dishwasher safe.

I purchased this with my own money and have not been paid for a review. All opinions are my own.
