

Monday Favorite Gadget - Silicone Slip-On Pour Spout by Lynn's Recipes

Monday's Favorite Gadget is a Silicone Slip-On Pour Spout. This heat resistant silicone spout attaches to the side of any thin lipped bowl, jar, pot or pan. It is safe to temperatures up to 480°.

This spout eliminates messes from spilled batter, mixes etc.

It is dishwasher safe.

This was purchased with my own money. All opinions are my own.
