

Monday Favorite Gadget - Zenpro Hand Held Mixer by Lynn's Recipes

Today for my Monday Favorite Gadget, I am sharing my Zenpro Hand Held Mixer. This was sent to me for trying, demonstrating and reviewing.

This is a great hand held mixer that is perfect to use for eggs, light batters, whipped cream, pancakes, brownies etc. This is a perfect kitchen utensil for children to use because it is safe and easy to use. It makes it so easy for children to help in the kitchen.

This is sturdy, has a lifetime guarantee, full refund offered, if dissatisfied and the beaters can be removed and washed in the dishwasher.

Included is an egg separator and 3 measuring spoons.

This product was sent to me for trying, demonstrating and reviewing. All opinions are my own.
