

Monday Favorite Gadget - Innoo Tech Stainless Steel Garlic and Ginger Press by Lynn's Recipes

Today for my Monday Favorite Gadget, I am sharing the Innoo Tech Stainless Steel Garlic and Ginger Press.

This garlic and ginger press is made from 304 food grade stainless steel and is ergonomically designed for comfort. It won't rust or weaken with normal use and is very easy to use and clean.

You can press unpeeled garlic cloves or ginger with ease. After use, you can just rinse it and let it air dry. It stores easily in a drawer or you can hang it by the hooks on the end of the press.

This can be found on Amazon for \$10.99. If you are a Prime member, the shipping is free.

This was sent to me for use and review. All opinions are my own.
