

Homemade Cake Flour by Lynn's Recipes

Lynn demonstrates how to make homemade cake flour, that is used in a lot of baked goods. If you can't locate this flour in your grocery store or are out of it, this is a great solution.

Ingredients:

- 1 cup all purpose flour
- 2 Tablespoons cornstarch

Measure out 1 cup of all purpose flour

Remove 2 Tablespoons of the all purpose flour

Add 2 Tablespoons cornstarch to the remaining flour and sift together

Do this for every cup of cake flour that is required for your particular recipe.
