

Creamy Apple Caramel Dip by Lynn's Recipes

Lynn demonstrates how to make a Creamy Caramel Apple Dip, perfect for Fall. You can use this as a sweet appetizer or serve for dessert.

Ingredients:

- 8 ounce package of cream cheese, softened (I used reduced fat)
- ½ cup brown sugar
- ¼ cup powdered sugar
- 1 teaspoon vanilla extract
- 2/3 cup Toffee Bits

Mix all of the above ingredients with electric mixer. Keep refrigerated

Serve with sliced apples.
